Standard Concrete Steps

Standard Steps Specifications

# of Steps	Height	Depth Step Only	with 42" Landing
1	7"	16"	42"
2	14"	26"	54"
3	21"	38"	66"
4	28"	50"	78"
5	35"	62"	90"
6	42"	74"	102"

Salt or other deicing chemicals should not be used on concrete steps. We suggest using sand for improved step traction.
